3. Be powerful putting on the whole armor of God - Ephesians 6:10-18
4. Be peaceful & thankful - 1 Thess. 5:16-18

The Fruit of a daily life of peace:

- Hebrews 12:1-2  
Galatians 5:13, 16, 22-25  
1 Cor. 9:24-27  
2 Timothy 4:6-8  
Ecclesiastes 9:10-12

Principles of Bible Study from the understanding of the Mystery:

1. A literal interpretation of scripture. The Bible says what it says. Take the Bible literally until it is impossible to do so.
2. There is a distinction between Israel and the Church.  
"Things different are not alike."
3. We recognize progressive revelation in scripture. God reveals more of himself, his grace, and his plans as each new dispensation is revealed in scripture.
